Fig.13 (Oral Health Education by Andong Kroleung Teachers PS)

Due to every school's schedule of oral health education, we have followed up their activities basing on their schedule which most of the school select Thursday to implement Oral Health Education class, so that just only brushing activities we could motion if it is not fall on Thursdays!

IV. Community Project

A. Health Center Education and Training

No	Health Center Name	Date	Number of HC Staff Participated	Number of TB & TP Provided	Number of Flipchart Provided	Number of Dental Model Provided
1	Krang Tes HC	19 th - Dec	3	100	2	1
2	Pichreada HC	20 th - Dec	10	100	2	1

Chief of Health Center have discussed with OISDEC staff about how to implement the oral health activities in their health center the fact that it is the first time for them to try to educate oral health in their health center. In addition, to make it easy for them to cooperate with our DCA, they suggest OISDEC to ask Identification Letter from Provincial Health Department and Health

Promotion Officer, who worked with OISDEC, has agreed to get approval from PHD by the first week of January.
