III. Community Project

A. Health Center Education and Training

No	Health Center Name	Date	Number of HC Staff Participated	Number of TB & TP Provided	Number of Flipchart Provided	Number of Dental Model Provided
1	Koh Nhek HC	12 th - Feb		100	2	1

OISDEC staff provided Oral Health Education by flipchart to HC staff in order to ask them to promote and share the knowledge to their community. Our DCAs have already been known by targeted HC when they came up to HC with identification letter from PHD. DCAs required working at HC a day per week and as for the schedule, HC director could have authority to ask them to change to fit with HC schedule.
