IV. Other Activities

A. Participated in SETRA Project

SETRA to Battambang province is really welcomed by PHD the fact that they have prepared appropriate place with some material and electricity socket to make it easy for SETRA team to provide dental care education as well as dental treatment to villagers and students at school close to the HC.

Furthermore, HC director & staffs have show their gratitude and provide very sweet coconut juice to SETRA team because it is a bit late for their lunch time!

B. Participate in Mondulkiri NGOs Network Meeting

There are 14 Health NGOs joined the MNN meeting in order to emphasize the role of Sub-Health Committee and its directors, vice-director as well as secretary. As result, the NGOs Network meeting will be holding one week before the monthly Pro-TW Meeting hosted by PHD. Director of Sub-Health Committee will inform to all member about the date of meeting and all of health NGOs will discuss and finalize the potential issue in the meeting to be raised up in the Pro-TW Meeting. In addition, we could also share the information as well as the challenge problem to the committee in case we need some help, advice, recommendation or solution from member of Health Committee.

As final result, IPHIA Organization has been elected as Director, Caritas as Vice-director and AFH as Secretary of Sub-Health Committee.
